

# Agile SC122 Pre-Order form

This form is a pre-order form for 1 Agile Automotive SC122 425hp race car.

This pre-order form completed and signed by both parties secures the buyer a production slot for the car which will be noted on the pre-order invoice by Agile Automotive ApS.

The production slot is not secured until Agile Automotive ApS has received the pre-order payment.

The production slot is not secured if the pre-order payment terms are not obeyed.

The production slot has to be obeyed  $\pm 3$  months by Agile Automotive ApS otherwise the buyer is entitled to cancel the order and get the pre-order payment returned within 2 weeks from a written cancellation is received.

The pre-order payment is **79.900,00 DKK + VAT** which is 10% of the starting cost of an Agile SC122 425hp as the year 2017 models are set to an introduction price starting from 799.000,00 DKK plus VAT.

The specific total car price depends on the ordered car specifications and is agreed on minimum 1 month before the production is initiated.
